Re: Election / Restrictions, Detailed Action dated 10/18/04

November 18, 2004

Campbellville, Ontario, Canada

Hon. Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

Applicant is advised that the Claims in the above stated application are subject to an Election / Restriction requirement under 35 U.S.C. paragraph 121, identified by the Examiner as distinct species I. a power generator, II. a combustion turbine, and III. a rotary kinetic motor.

1) Claim Election – 35 USC Paragraph 121

In accordance with the requirement under 35 USC 121, Applicant herewith submits the required Election under II., by choosing the species “Combustion Turbine” together with “Turbine System”, as requested by the Examiner.

APPLICATION NO: 10/798,294

-2-

Art Unit: 3749

Applicant herewith further includes replacement pages listing the amended Claims to reflect the Election requirement.

If the Examiner does not agree with the combination as expressed in Claims 30 and 31, Applicant is prepared, under protest, to eliminate Claim 30.

Applicant is of the opinion to have herewith responded as required, and the Examiner is now able to move this Application to allowance.

Signed this 18th day of November, 2004,

A handwritten signature in black ink, appearing to read 'W. Velke', with a stylized, cursive script.
